## HAWAII START BATTING RALLY IN TIME TO DEFEAT PORTUGUESE

Great Crowd Sees Great Game at Athletic Park—Pennant Series Now Two and Two Between Teams and Flag Ownership Will Be Decided Next Sunday—Scrappy Game Had Class All Through

With one tie game on each side of the ledger, the Hawails and Portuguese are still in the race for the Oahu League pennant. A win yesterday for Paresa's men would have given them the coveted championship, and when they rolled up a score of three runs in the second inning, the Panchbowl contingent considered the hunting as good as won. In the very next frame, however, the Hawails came through with four hits, one of them a slashing double off Barney Joy's willow, and three men came across the plate, tying the score. In the fifth the Hawails chased another man across, with the assistance of a wild pitch, and that one run lead proved enough to win the game.

It was a good game to watch, snappy from start to finish and very exciting in spots. There were many critical situations, some of which were weathered by the teams just as the fans were craning their necks to see the balloon go up.

The pitching of Alex Desha was a feature. He allowed only five hits and struck out eight, but the figures don't show the class of ball that he was delivering. He wobbled a little in the second, when the Portuguese scored, but after that was steady as a rock with men on bases, pulling himself out of several bad holes. Desha had a lot of smoke and came fast breakers, and he talked 'em up in good style. Tony Medeiros also pitched a nice game, with the exception of the fatal third. The fusillade of hits that came in that frame nullified the good work of the rest of the session, however. Tony was directly responsible for the lone run in the fifth, too, letting go with a wild pitch that hit the stands, in an attempt to deliver a waste ball as two transportation to Barney Joy. There was a man on third, and he trotted home.

The Portuguese scored in the second, Williamson opening with a fly to right which "Joy" misjudged and fumbled, the runner getting to second. He went to third on an infield out, and scored on La Mere's two bager. A wild pitch sent La Mere to third, and he scored a moment later on M. Ornelas' hit. Medeiros went to first by the red cross route, and

Ornelas registered on F. Joseph's sacrifice which was fumbled by DeShaw. The big doings for the Hawails came in the third. En Sue singled to right and stole second as usual, going to third on a poor throw by the catcher. Ayan hit to left through Bushnell, scoring En Sue. Chillingworth was safe on a fielder's choice and stole second, going to third on Franco's hit. Then up came Barney Joy, who put one over on the opposition by hitting a dandy double to left field, instead of going to right as usual. M. Ornelas had edged over toward center, and the ball sailed out of his reach. Chilly and Franco coming home. The only other run of the game came in the fifth, as above noted.

## Bunts and Bounders

Manuel Paresa was worried, and looked the part.

Asam is playing a nice game at third these days.

Franco caught a much better game than he put up the previous Sunday.

Bettencourt had some close decisions to make yesterday, both on first and second.

The Portuguese had a good chance to tie in the eighth, but Sousa slid over third trying to steal.

Too much crabbing at the calls. Even if a mistake is made once in a while, the thing evens up in the end.

Dave Desha made a wise move when he traded fields with Joy. The big fellow can't navigate with the sun in his eyes.

Ayan did the baby act when he got the wrong end of a close decision at second. That sort of kicking won't reverse the ruling, delays the game, and makes the fans tired.

Dreier was out of the game yesterday, and the Hawails anchored Chilly on first, White filling in at second. Chilly proved as useful in his new position as at second or short, which is saying a lot. White also performed nicely.

Some rowdies in the right field bleachers started after Statton's calls, and the latter asked the police to make the men behave or put them out of the grounds. Joke. The cops that attend ball games wouldn't eject a man for anything short of murder in the first degree. It isn't clubby to uphold law and order. The roughnecks know this and act accordingly.

## BASEBALL RACE AT SHAFTER IS VERY EXCITING

(Special Star-Bulletin Correspondence)

FORT SHAFTER, Dec. 15.—The week just ended has seen improvement in playing in the post baseball league in all of the teams. The blight that pay day brought had tinged some of the players rather deeply but that has worn well off, and the prospects of an all-service team has further gingered up the 150 or more players that make up the 13 teams now well along in the first half of the race.

That it will be a race and not a procession is confidently expected. Even the teams now in the basement division of the little league are telling their supporters "You just wait"—those others will get their slump, too. "So and so is going to be discharged next month and then you'll see the Q company team go to pieces. You just wait!" And so it goes with the dopests and every company has a dozen of them with the captain of the company presiding at "stated meetings."

Another improvement noticed during the week was the curbing of the loose talk, or "loshing" of individuals of the teams by the spectators. There is nothing a-plenty and it is full of vim, too, but the rough edge of personalities has been smoothed off "by order," and the daily detail of umpires have full authority to act, both under post orders and "league rules." Hoodlumism, never present but threatened, perhaps, doesn't go in the Shafter league.

The first battalion is still setting the pace and a right merry clip the companies composing it are setting, too, with the Signal Corps wiggling lively messages of progress not far behind. "Big Chief" Robinson of the latter team is playing league ball all the time and Lieutenant Lyman of D Company is apparently going after the world's record in base stealing and run getting. Other individuals are attending to business, too, so that the crowd that daily assembles is getting its money's worth and then some.

## CHINESE AGAIN TRIM THE 25TH

The 25th Infantry ball team took its fourth straight beating at the hands of the All-Chinese at Schofield Barracks yesterday, score 5 to 1. Costly errors proved the downfall of the soldiers, who offended 12 times in all. Both teams were minus a couple of regulars, Swinton and Williamson of the 25th being in town playing with the Portuguese, while En Sue and Ayan were wearing Hawaiian uniforms.

The Chinese have proved pretty conclusively in this series that they are several classes ahead of the 25th as a ball team. They have won all four games easily, chalking up 31 runs to 3 for the soldiers. It is a pity that the games could not have been played when the post champions were going strong, for it must be admitted that the 25th has been much below mid-season form of late. Possibly prosperity was demoralizing.

Although the Honolulu School for Boys does not have the material that the other schools have for soccer, the lads from Kaimuki have one of the best coaches, L. G. Blackman, principal of the school, has had wide experience in soccer and he will take onto his shoulders the burden of coaching his boys. Read, who has been elected to lead the Honolulu team in the coming series, has all the students interested in the game and when school opens in January he expects to have a good bunch from which to form his initial eleven.

At the same time that soccer is going on, cross country running will be practiced around the plains and hills of Kaimuki, for the Honolulu School for Boys is going in the distance event this year. Under the leadership of Captain Norris, enthusiasm in this three-mile run was stirred up for the first time in the history of the school and when school opens once more there should be a classy bunch of distance men out.

After these two sports, track exercises will be taken up and a team entered in the Cornell meet in March. Since it was decided that to be in the Intercollegiate League a school must enter teams in the three major sports, the Honolulu men are planning to live up to the requirements of this league and do what they can in football, track and baseball.
